Dear Carolyn Steeves:

The Alberta Northern Lights Volunteer Recognition Program recognizes Alberta's everyday heroes. The program celebrates the contributions of Albertans who volunteer, formally or informally, demonstrate community spirit, and serve as a role model for others. We are pleased that we could profile your story on the Alberta Northern Lights Volunteer Recognition Program page at www.alberta.ca/northernlightsvolunteers. Your picture and story of how volunteerism has helped your community has been featured on the site with a number of other amazing volunteer stories throughout Alberta.

As Minister of Culture, I would like to take this opportunity to thank you on behalf of Alberta's government for your acts of service, and for demonstrating community leadership. Your efforts to support members of your community are admirable and I encourage you to continue demonstrating community service and generosity through volunteerism.

Thank you again for being an Alberta volunteer and a shining light in your community!

Sincerely,

A handwritten signature in blue ink that reads "Jason Luan".
